

EEWYLA Participant Code of Conduct & Programme Participation Agreement

Economic Empowerment for Women and Youth in Livestock Agriculture (EEWYLA)

Powered by Rumer Technologies | Implemented by Oriyon International Ltd.

1. Introduction

The EEWYLA Participant Code of Conduct & Programme Participation Agreement outlines the standards of behaviour, responsibilities, ethical practices, and operational obligations expected from all participants, staff, facilitators, and stakeholders involved in the programme.

Adherence to this agreement is essential to maintain a productive, professional, inclusive, safe, and accountable environment that fosters growth, livestock development, entrepreneurship, community advancement, and long-term sustainability within the livestock value chain.

2. Code of Honour

Every EEWYLA participant represents the future of ethical African livestock agriculture and agrees to uphold integrity, discipline, transparency, accountability, animal welfare, professionalism, innovation, and community development throughout the duration of the programme and beyond.

3. Programme Participation Standards

- Participants must conduct themselves with honesty, professionalism, transparency, and integrity at all times.
- Participants are expected to attend all training sessions, practical activities, fieldwork, assessments, and mentorship

sessions punctually and consistently.

- A minimum attendance rate of 90% is mandatory to remain eligible for programme benefits, including certification, business registration support, livestock allocation, grants, financing opportunities, and programme endorsements.
- Participants must complete all assigned tasks, assessments, practical projects, and reporting obligations within stipulated timelines.
- All dealings with fellow trainees, trainers, coordinators, community stakeholders, partners, and programme officials must reflect mutual respect, professionalism, and ethical conduct.
- Harassment, discrimination, bullying, intimidation, abuse, violence, hate speech, or inappropriate behaviour of any kind will not be tolerated and may result in immediate disciplinary action or dismissal from the programme.

4. Ethical Conduct & Integrity

- Providing false information, falsifying records, impersonation, forgery, or engaging in fraudulent activities is strictly prohibited and may result in immediate disqualification and possible legal action.
- Participants must use all programme resources responsibly, including livestock, facilities, feed, RFID tags, training materials, digital tools, equipment, and infrastructure.
- Participants are financially and ethically responsible for damage, loss, theft, or misuse of programme resources caused through negligence or misconduct.
- Participants must maintain confidentiality regarding proprietary programme materials, operational systems, strategic information, and sensitive participant data.
- Unauthorised reproduction, distribution, or misuse of programme materials or intellectual property is prohibited.

5. Digital Participation & Traceability Compliance

- Participants acknowledge that EEWYLA and Rumer Technologies may utilise digital identity systems, RFID systems, traceability tools, digital monitoring systems, mobile applications, and livestock data systems as part of programme implementation.

- Participants agree not to tamper with, remove, falsify, manipulate, duplicate, or misuse livestock identification systems, traceability records, digital accounts, or programme data.
- Participants must maintain truthful, accurate, and verifiable records relating to livestock ownership, livestock movement, production records, health records, mortality, and programme activities.
- Any attempt to manipulate programme systems for financial, reputational, or operational advantage may result in disqualification and legal action.

6. Cluster Responsibility & Cooperative Conduct

- Participants assigned to clusters, cooperatives, or group structures must actively contribute to communal activities and collaborative programme objectives.
- Participants must protect and responsibly utilise shared resources, infrastructure, equipment, and facilities.
- Internal disputes should be resolved respectfully and professionally through established programme conflict-resolution mechanisms.
- Sabotage, theft, intimidation, deliberate misinformation, or activities that undermine cluster performance or programme cohesion are prohibited.

7. Livestock Welfare & Biosecurity

Participants receiving livestock or engaging in livestock-related activities are required to:

- Ensure proper care, feeding, housing, vaccination, handling, and humane treatment of all animals.
- Maintain accurate and verifiable livestock management records.
- Promptly report disease outbreaks, livestock mortality, unusual symptoms, theft, or biosecurity risks to programme officials.
- Comply fully with veterinary guidance, quarantine procedures, vaccination schedules, and biosecurity protocols.
- Avoid unauthorised movement or sale of livestock allocated under the programme.

8. Asset Use, Livestock Allocation & Business Setup

- Livestock allocation, grants, financing support, certification, and business registration support are performance-based and contingent upon compliance with programme standards and this agreement.
- Participation in the programme does not constitute an automatic entitlement to livestock allocation, grants, funding, or business support.
- Programme assets, livestock, equipment, feed, infrastructure, or materials provided under EEWYLA may not be sold, diverted, transferred, or misused without authorisation.
- Participants found to have misused programme assets may be subject to asset recovery measures, disqualification, or legal action.
- Participants must comply with all applicable legal and regulatory requirements relating to livestock farming, trading, business registration, and operations.

9. Health, Safety & Environmental Compliance (HSE)

- Participants must adhere strictly to all health, safety, sanitation, and environmental protocols established by the programme.
- Safety equipment provided during practical sessions or farm operations must be used appropriately at all times.
- Participants must avoid actions that may endanger themselves, other participants, animals, facilities, or the environment.
- All programme activities must align with environmental sustainability standards and responsible agricultural practices.

10. Media Release & Publicity Consent

- Participants grant EEWYLA, Rumer Technologies, and Oriyon International Ltd permission to capture and utilise photographs, video recordings, interviews, testimonials, and training documentation for programme administration, publicity, donor reporting, impact reporting, educational content, and promotional purposes.

- Participants understand that programme-related media may be published on websites, social media platforms, publications, presentations, documentaries, reports, or other communication channels.

11. Data Protection & Consent

- Participants acknowledge and consent to the collection, storage, processing, and use of programme-related data, including biodata, livestock records, training records, business records, photographs, videos, and traceability information for programme implementation, compliance, reporting, monitoring, ecosystem development, and impact assessment purposes.
- EEWYLA will take reasonable steps to ensure participant data is handled responsibly and securely.

12. Protection of Programme Reputation

- Participants shall not engage in conduct that damages the reputation, integrity, public perception, or operational credibility of EEWYLA, Rumer Technologies, Oriyon International Ltd, programme partners, or associated stakeholders.
- Participants shall not falsely represent themselves as programme officials, authorised representatives, or spokespersons without written authorisation.

13. Accountability, Discipline & Appeals

- Violations of this agreement shall be reviewed by the programme's disciplinary committee on a case-by-case basis.
- Consequences for violations may include verbal warnings, written warnings, suspension, forfeiture of programme benefits, removal from the programme, livestock recovery measures, or legal action where applicable.
- Participants may appeal disciplinary decisions in writing within five (5) working days of notification of such decision.

14. Dispute Resolution & Governing Law

- Parties agree that disputes arising under this agreement shall first be resolved through mediation and internal dispute resolution procedures.
- Where mediation fails, disputes may be referred to arbitration in accordance with the laws of the Federal Republic of Nigeria.

- This agreement shall be governed and interpreted in accordance with Nigerian law.

15. Acknowledgement & Agreement

By signing this agreement, the participant confirms that they:

- Have read and understood the EEWYLA Participant Code of Conduct & Programme Participation Agreement.
- Agree to comply fully with all programme rules, policies, operational requirements, and ethical standards.
- Accept responsibility for any violations and the consequences arising from non-compliance.
- Commit to representing EEWYLA with professionalism, integrity, accountability, discipline, and respect.
